EQUITY AGREEMENT

This Equity Agreement (“Agreement”) is made effective the ____ day of _____, 20__ (the “Effective Date”), by and among Wisconsin Alumni Research Foundation (“WARF”), a nonstock, nonprofit Wisconsin corporation, _____ (“Company”), a limited liability company organized and existing under the laws of _____, and the undersigned Founders.

WHEREAS, WARF and Company have entered into the License Agreement with respect to certain inventions owned by WARF; and

WHEREAS, as an accommodation to Company, WARF is willing to accept, upon the terms and conditions set forth herein, Membership Interests in lieu of charging Company certain fees under the License Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth below, the parties covenant and agree as follows:

Section 1. Definitions.

For the purpose of this Agreement, capitalized terms are used as defined in the body of this Agreement and in the attached Appendix A, hereby made a part of this Agreement. Any reference to this Agreement will include the body of this Agreement and all of the Appendices hereto.

Section 2. Issuance of Membership Interests to WARF.

A. Issuance of Membership Interests.

(i) Simultaneous with the execution of this agreement and the License Agreement, Company shall issue to WARF _____ Membership Interests (the “Subject Membership Interests”), such Subject Membership Interests representing ____ percent (___%) of the Fully-Diluted Membership Interests Outstanding as of the date hereof, and shall deliver to WARF a certificate, duly signed by appropriate officers of Company and issued in WARF’s name, representing all of the Subject Membership Interests.

(ii) All Subject Membership Interests issued to WARF hereunder shall be fully-paid and non-assessable upon their issuance to WARF. The Subject Membership Interests shall have at least the same rights and preferences granted other holders of Membership Interests, including the rights and preferences specified in Company’s Articles of Organization or Operating Agreement attached hereto as part of Appendix B, but in no event will the Subject Membership Interests have any rights less than the rights specified herein. Company agrees that WARF’s Membership Interest Percentage shall be maintained at ____ percent (___%) until Company receives, in the aggregate, in a single transaction or a series of related transactions, at least \$_____ of Equity Financing (the “Equity Financing Threshold”);

provided, that for purposes of this Section 2A(ii) only, a cash investment in exchange for Convertible Securities shall not constitute an Equity Financing at the time of the issuance of such Convertible Securities but instead shall constitute an Equity Financing only at the time of the conversion or exchange (if any) of such Convertible Securities into Membership Interests (or securities exercisable or exchangeable for, or convertible into, Membership Interests); and provided, further, in the event Company receives Equity Financing in a certain transaction, a portion of which (the “Applicable Portion”), when added to the prior aggregate amount of Equity Financing received by Company, brings the total amount of Equity Financing received by Company up to the Equity Financing Threshold and a portion of which (the “Excess Portion”), when added to the aggregate amount of Equity Financing received by Company (inclusive of the Applicable Portion), brings the total amount of Equity Financing received by Company above the Equity Financing Threshold, the anti-dilution provisions contained in this Section 2A(ii) shall only apply to the Applicable Portion and not to the Excess Portion. Thereafter, WARF’s Membership Interest Percentage shall be subject to the most favorable anti-dilution provisions that apply to any of the other holders of Equity Securities as determined from the perspective of such holders.

B. Effect on License Agreement.

Upon WARF’s receipt of the certificate representing all of the Subject Membership Interests delivered pursuant to Section 2A(i), WARF shall waive the initial license fee under the License Agreement.

Section 3. Put Option.

A. Grant of Put Option.

Company hereby agrees to repurchase all Membership Interests held by WARF, whether pursuant to this Agreement or otherwise, at the option of WARF, on the terms contained in this Section 3.

B. Period for Exercise.

WARF shall have the right to exercise part or all of its put option under this Section 3 (the “Put Option”) upon or after the earliest of: (i) the [fifth (5th)] anniversary of the Effective Date; (ii) the forty-fifth (45th) day prior to the date of any Company Conversion; or (iii) any transfer by any Founder of any Membership Interests held by such Founder, but in no event later than the first date any other put option and/or redemption right held by any other holder of Equity Securities is permitted to be exercised; or (iv) the date which the License Agreement is assigned (including pursuant to a change-of-control event) or terminated. Company shall notify WARF of any Company Conversion (as specified in clause (ii) above) at least forty-five (45) days prior to the consummation thereof and shall notify WARF of any transfer of Membership Interests by any Founder (as specified in clause (iii) above) at least thirty (30) days prior to the consummation thereof. Company shall also notify WARF of any put option, redemption right or similar right that is granted to any Founder or other holder of Equity Securities.

C. Price Per Membership Interest.

Company shall pay WARF consideration for each Membership Interest put to it hereunder (the "Purchase Price") in an amount equal to the Fair Market Value of the Membership Interests being put as of the date WARF exercises its Put Option.

D. Exercise of Option.

WARF may exercise its Put Option only by its delivery of a written notice to Company that WARF is exercising its rights under this Section 3. In WARF's sole discretion, WARF may exercise its Put Option with respect to some or all of its Membership Interests at any time in accordance with Section 3B. In the event WARF desires to exercise its Put Option pursuant to clause (ii) of Section 3B in connection with its receipt of Company's notice of a Company Conversion, WARF must exercise the Put Option within twenty (20) days after its receipt of such notice.

E. Closing.

The closing of a redemption of Membership Interests pursuant to this Section 3 shall occur at the principal office of Company on such date and at such time as WARF shall select; provided, that such closing shall occur not less than thirty (30) nor more than sixty (60) days after the date the Purchase Price is finally determined. WARF shall notify Company in writing of the exact date and time of such closing at least ten (10) days prior to the date thereof. Notwithstanding the foregoing, in the event WARF exercises its Put Option pursuant to clause (ii) of Section 3B in connection with its receipt of Company's notice of a Company Conversion, the closing shall occur at least one (1) day prior to the date of the consummation of such Company Conversion and WARF shall notify Company in writing of the exact date and time of such closing at least three (3) days prior to the date thereof. At such closing, (i) WARF shall deliver to Company the certificate(s) evidencing ownership of the Membership Interests subject to the redemption properly endorsed or with properly executed stock powers, and (ii) Company shall deliver to WARF, in full, the Purchase Price by wire transfer of immediately available funds to a bank account designated in writing by WARF.

F. Inability of Company to Purchase.

If Company is unable to lawfully purchase all of the Membership Interests which it is required or permitted to purchase pursuant to this Agreement under the applicable laws of its jurisdiction of organization (because such purchase would render Company statutorily insolvent under such laws), then until such time as Company is legally or contractually able to purchase the Membership Interests pursuant to this Agreement, the purchase thereof shall be considered to be deferred. Notwithstanding the foregoing, if WARF shall so request, Company shall purchase as many Membership Interests as it is legally or contractually able to purchase as requested by WARF on the date originally required by this Section 3 (the "Original Closing Date") and at such times as WARF may thereafter reasonably request. Any deferral of the purchase of Membership Interests hereunder shall not change, defer or otherwise affect the date as of which the value of each Membership Interest to be purchased is to be determined as provided herein (the "Original Valuation Date") with respect to deferred purchases occurring during the one (1) year period following the Original Closing Date. Notwithstanding the foregoing, at any time after the

deferral of the purchase of any Membership Interests hereunder (the “Deferred Membership Interests”), WARF shall have the right, effective immediately upon the provision of written notice to Company, to rescind the prior exercise of WARF’s Put Option with respect to all or any of the Deferred Membership Interests, and WARF shall thereafter have the right at any time to re-put all or any of the Deferred Membership Interests pursuant to the terms and conditions of this Section 3 (subject, in the case of a Company Conversion, to the applicable provisions of Section 3D and Section 3E).

Section 4. Representations and Warranties.

A. Representations and Warranties by Company.

(xv) All business plans and/or projections of Company provided to WARF prior to the Effective Date were prepared by Company in good faith using reasonable assumptions and were based on Company’s management’s best estimates.

B. Representations and Warranties by Founders.

Each Founder hereby makes the same representations and warranties to WARF as made by Company in Section 4A; provided, that all such representations and warranties made by such Founder herein are qualified by such Founder’s actual knowledge.

C. Representations and Warranties by WARF.

E. Indemnification.

Company will indemnify and hold harmless WARF and WARF’s Affiliates from and against any and all losses, claims, damages, expenses (including, without limitation, reasonable attorneys’ fees) and liabilities (collectively, “Losses”) to which any of WARF or WARF’s Affiliates may become subject relating to or arising out of any breach or inaccuracy of any representation or warranty of Company under this Agreement or the breach of any covenant of Company under this Agreement. Each Founder will indemnify and hold harmless WARF and WARF’s Affiliates from and against any and all Losses to which any of WARF or WARF’s Affiliates may become subject relating to or arising out of any breach or inaccuracy of any representation or warranty of such Founder under this Agreement.

Section 5. Covenants of Company.

A. Financial Statements and Other Information.

As long as WARF owns any Equity Securities, Company shall promptly provide to WARF such Financial Statements, amendments to or restatements of its Articles of Organization or Operating Agreement, membership/ownership interest transfer restrictions and agreements between members with respect to the valuation or transfer of Equity Securities and amendments thereto, and such other information respecting the business, affairs, and financial condition of Company as WARF may reasonably request and WARF's representatives may visit and inspect any of the properties, books and information of Company. In addition, Company will provide WARF with (i) semi-annual unaudited Financial Statements and any related schedules within thirty (30) days of the end of Company's first six (6) month period in any fiscal year; (ii) a copy of Company's annual audited Financial Statements and any related schedules provided to other holders of Equity Securities of Company within ninety (90) days of Company's fiscal year end; and (iii) a semi-annual analysis by Company of its year-to-date expenditures as compared to those set forth in its then-current annual budget within thirty (30) days of the end of Company's first six (6) month period in any fiscal year. As long as WARF owns any Equity Securities, Company shall not, without providing WARF with at least thirty (30) days' prior written notice, (a) merge with another equity, consolidate, reorganize, liquidate or dissolve, (b) sell, lease, exchange or otherwise dispose of all or substantially all of the Company's property or assets, or (c) consummate any Equity Financing.

B. Preemptive Rights.

In addition to its other rights under this Agreement, as long as it holds any Equity Securities, WARF shall have a preemptive right to acquire such Equity Securities as may be issued or proposed to be issued by Company from time to time. Such preemptive right shall apply with respect to any Equity Securities issued by Company after the Effective Date, whether such additional Equity Securities constitute a part of the Equity Securities presently or subsequently authorized or constitute Equity Securities held in the treasury of Company. WARF shall have the right to acquire Equity Securities of the type being issued in an amount equal to the product of (i) WARF's Membership Interest Percentage immediately prior to such issuance, multiplied by (ii) the number of Equity Securities of the type that are to be issued to all Persons pursuant to such issuance. The terms and conditions of WARF's exercise of its preemptive rights, including the consideration to be paid for such Equity Securities, shall be no less favorable to WARF than the most favorable terms and conditions offered to any other holder of Equity Securities or prospective holder of Equity Securities with respect to the Equity Securities then being issued. WARF may, at its option, exercise such preemptive rights with respect to some or all of the Equity Securities to which it has preemptive rights under this Section 5B.

C. Issuance of Securities to Company Affiliates.

Company shall not issue any Equity Securities (including Membership Interests) to any Founder or other Affiliate of Company without the prior approval of at least a majority of the then-current Independent Directors, or, in the absence of any Independent Directors, the prior written approval of WARF. Notwithstanding the foregoing, in no event shall Company issue any Equity Securities

(including Membership Interests) to any Affiliate of Company for less than the Fair Market Value of that security. Company shall have the burden of proving that it received consideration for any such issuance equal to the Fair Market Value of the Equity Securities issued.

D. Observation Rights for all Board Meetings.

As long as WARF owns any Equity Securities, Company's Board of Directors shall meet at least twice per calendar year. WARF shall be provided notice and shall have full observation rights for any and all meetings of the Board of Directors of Company and shall be provided with copies of any written materials at the same time as such materials are provided to Company's Board of Directors.

Section 6. Termination.

A. Unless terminated sooner by either Company or WARF as provided below, this Agreement shall terminate on the date that WARF no longer owns any Equity Securities. If this Agreement terminates automatically as provided in this Section 6A, the License Agreement shall remain in effect according to the terms specified therein.

B. If either Company or WARF at any time commits a material breach of this Agreement or any of the representations or warranties made by either Company or WARF is untrue as of any date on which they are required to be true and correct, and such party fails to remedy any such breach or default within thirty (30) days after written notice thereof by the other party (the "Affected Party"), then the Affected Party may, at its option, terminate this Agreement, the License Agreement, or both.

C. Notwithstanding the provisions of Section 6A and Section 6B, Company's and the Founders' respective indemnification obligations under Section 4E shall survive the termination, for whatever reason, of this Agreement.

Section 7. Assignability.

Company may not assign its rights or obligations under this Agreement, whether pursuant to a change of control event or otherwise, without WARF's prior written consent.

Section 8. Miscellaneous.

This Agreement shall be governed by and construed in all respects in accordance with the laws of the State of Wisconsin, notwithstanding any choice of law or conflict of law principles. The parties hereby agree that any and all matters arising hereunder will be submitted irrevocably and exclusively to the United States District Court for the Western District of Wisconsin or the State Courts of the State of Wisconsin located in Dane County, Wisconsin. If any provisions of this Agreement are or shall come into conflict with the laws or regulations of any jurisdiction or any governmental entity having jurisdiction over the parties or this Agreement, those provisions shall be deemed automatically deleted, if such deletion is allowed by relevant law, and the remaining terms and conditions of this Agreement shall remain in full force and effect. If such a deletion is not so allowed or if such a deletion leaves terms thereby made clearly illogical or inappropriate in effect, the parties agree to substitute new terms as similar in effect to the present terms of this Agreement as may be allowed under the applicable laws and

regulations. If any provisions of this Agreement are or shall come into conflict with any other agreement to which Company is a party to, the provisions of this Agreement shall control unless WARF consents in writing otherwise.

Section 9. Notices.

Any notice required to be given pursuant to the provisions of this Agreement shall be in writing and shall be deemed to have been given at the earlier of the time when actually received as a consequence of any effective method of delivery, including but not limited to hand delivery, transmission by facsimile, or delivery by a professional courier service, or the time when sent by certified or registered mail addressed to the party for whom intended at the address below or at such changed address as the party shall have specified by written notice, provided that any notice of change of address shall be effective only upon actual receipt.
