

# WARF Therapeutics Virtual Laboratory: Bridging the Gap between Novel UW Discoveries & Bio-Pharma

## TARGET DISCOVERY

### UW & MIR PIs

- Novel biological target
- Therapeutic hypothesis
- Rigorous target validation

## PRECLINICAL DRUG DISCOVERY

### WARF THERAPEUTICS

- Preclinical Drug Discovery Experts
- Small Molecule Design & Optimization
- Project Management
- Novel Intellectual Property (IP)

## DRUG DEVELOPMENT

### Pharma/Biotech/ VC Partners

- IND enabling studies
- Clinical studies
- NDA

### Institute for Clinical and Translational Research (ICTR)

- Preclinical research support and funding

### Sanford Burnham Prebys Medical Discovery Institute

- Co-development partner
- Early Discovery
- MSA signed

### Pharmaron/Wuxi CRO

- Flexible resource (FFS)
- Late Discovery
- MSA signed

### Institute for Clinical and Translational Research (ICTR)

- Clinical research support
