

## LIGAND GRAFT FUNCTIONALIZED SUBSTRATES

[View U.S. Patent No. 8,551,894 in PDF format.](#)

**WARF: P08320US02**

Inventors: Kannan Seshadri, Jerald Rasmussen, Yi He, Clint Waller, Doug Weiss

---

### The Invention

Polyethyleneimine and polyalkylene biguanide ligand functionalized substrates, methods of making ligand functionalized substrates, and methods of using functionalized substrates are disclosed.

#### Tech Fields

- [Animals, Agriculture & Food : Food safety & quality.](#)
