

## Biomarkers For Early Diagnosis And Differentiation Of Mycobacterial Infection

[View U.S. Patent No. 11,860,168 in PDF format.](#)

**WARF: P190048US02**

Inventors: Adel Talaat, Chia-Wei Wu

---

### The Invention

Mycobacterial-specific biomarkers and methods of using such biomarkers for diagnosis of mycobacterial infection in a mammal are disclosed.

### Additional Information

#### For More Information About the Inventors

- [Adel Talaat](#)

#### Tech Fields

- [Animals, Agriculture & Food : Animal health](#)
- [Diagnostics & Biomarkers : Diagnostics](#)
