

Washed Platelet Extract

[View U.S. Patent Application Publication No. US-2022-0193140 in PDF format.](#)

WARF: P190172US03

Inventors: Jacques Galipeau, Sabrina Brounts, Andrea Pennati

The Invention

UW-Madison researchers have developed a washed platelet extract with increased platelet growth factor concentration and decreased total protein relative to platelet rich plasma, and methods of making and using such an extract for the treatment of disease and injuries.

Tech Fields
